

Intelligence Staff members (SSU) , Lieutenant Morrish and Sergeant Doze became aware of inmate [REDACTED] issues regarding the theft of an alleged cell phone and narcotics from the [REDACTED] at the conclusion of their interview on June 24, 2015. Inmate [REDACTED] was being interviewed due to being involved a physical altercation with inmate [REDACTED]. This information was obtained by SSU Coordinators' Reyna, Quintero and Matos when interviewing Lt. Morrish and Sergeant Doze. Additional intelligence information was validated during interviews of the inmate population who stated that inmate [REDACTED] issues were due to him stealing. This fact was not communicated or elevated to Administration or to CDU staff prior to [REDACTED] release to the yard. Had this significant information been elevated and communicated it may have prevented the situation from escalating into a disturbance.
